

Team Brown's Meeting Minutes 1

Call to order

A meeting of Team Brown was held at Room D-244 on 27/01/2026 starting 4:00PM.

Attendees

Attendees included Alan Telemishev, Zak Radi, Farwah Bakhsh, Daiyan Samin.

Absences

None.

Approval of minutes

The Team Brown approves unanimously of these minutes.

Reports

Successfully created the GitHub repository and the files needed to edit and submit and the tasks have been evenly divided between the team members for Deliverable 1 along with the most efficient methods of communication between us and the team's schedule synchronization was a success.

Unfinished business

Designation of all team leaders for each deliverable.

New business

The creation of the GitHub repository, division of tasks, the client's whereabouts, and discussing contact information and document creation and submission.

Announcements

Farwah was established as the Team Leader of the First Deliverable.
